

BACK

FINANCIAL LITERACY INITIATIVE

You divide and plan how to spend your time, you should do the same with your money to get the most out of it.

FRONT

I want to afford a good home in the future so
I save and invest my money with licensed
financial institutions.

FRONT

joker

J

E

joker

I do not participate in pyramid schemes, I do not want to lose my hard earned money.

FRONT

king

buy

I prioritise my needs over my wants to avoid spending money on what I can live without.

FRONT

queen

uaanb

I protect my money by keeping sensitive information like PIN codes and identity documents private.

FRONT

I use my money wisely by: Budgeting, Saving, Investing and Assessing financial risk.

FRONT

10

10

I ask knowledgeable people and institutions for advice to protect my investments.

FRONT

I learn about consumer rights to get value for money.

FRONT

I only borrow what I can pay back, I do not
want to stay in debt.

FRONT

7

My money is for ME, I do not spend it to
impress other people.

FRONT

6

6

I make a budget to ensure that all my needs are met.

FRONT

I like knowing how I spend my money, so I trace what I did with it.

FRONT

4

I do not like getting into debt so I only spend the money that I have.

FRONT

3

3

I want to live a comfortable life, so I look for different and legitimate ways to earn money.

FRONT

2

2

I do not want to lose my money, so I do research before investing.
